

Guideline for parts ordering to fit Rhino roof rack systems on Crown canopies

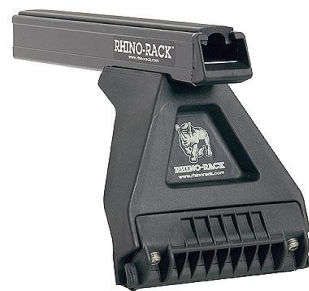

Notes:

You can select which bar you would like from these 3 options

Commercial Bar Silver
RB1375S

Commercial Bar Black
RB1375B

Aero Bar Silver
RAB1375

Spacers may be required in some situations to achieve a level fitment so it is a good idea to have them in stock.

Commercial Bar Spacer
LHSPAIR

Aero Bar Spacer
LHS-A1PAIR

One track set is required for the cab regardless of how many bars are being fitted

		1 = Cab Front		2 = Cab Rear		3 = Canopy Front		4 = Canopy Rear
